MEMBERSHIP APPLICATION FORM

Avon River Champions is a constituted community group which aims to -

“Provide a network which links the parish-based community groups throughout the River Avon catchment and support them in their endeavours to ensure the River Avon reaches **“Good Ecological Status”** in all* its water bodies by 2030 In line with national targets.

Avon River Champions engages with local Parish Councils, South Hams District Council and Devon County Council, local businesses, landowners and farmers, researchers and creatives to raise awareness of river and wildlife related issues to encourage and celebrate their contributions to the solutions”.

*note: The upper reaches of the Avon will not be able to reach “Good Ecological status” for geological reasons (too acid from proximity to peat bogs).

Annual membership fees will help our small team of volunteers to do more for the catchment community. Your financial support will cover our overhead costs and help us develop new projects and communications aimed at ensuring the River Avon achieves and maintains Good Ecological Status in all its water bodies.
